

mobiSmart

Enterprise voice messaging solutions

mobiSmart makes it possible in just a few clicks

Smartest way to reach your target audience through VOICE, reliably and instantly, wherever they are and whatever device they're using. mobiSmart - the first Hosted Interactive voice exchange in INDIA.

An automated voice dialer with voice and language of your choice. It can be voice of your brand ambassador (Ex movie star, star cricketer) or CEO of the company greeting all his employees.

Imagine communicating about a new MUTUAL FUND to millions of customers in a few minutes and also record their responses!!!

We also help you in getting professional recording of Voice Prompts
